FINANCIAL POLICY

INSURANCE AND SELF PAY GUIDELINES

Upon receiving insurance details, we will make our best effort to verify coverage and determine in-network or out-of-network status. We will collect your office visit co-pay based on our insurance verification systems. We may provide estimates on patient responsibility and discuss payment options. After verification, we will file your claims with your insurance company after every date of service. It is ultimately your responsibility to pay any deductible, co-insurance, or any balance not paid by your insurance company due to non-covered benefits or out-of-network status. Self-pay patients are responsible for payment at time of service.
